Tasting notes

Color/Robe: Colorless, bright & polished.

Nose: A beautiful & powerful aroma of freshly grated, slightly under ripe granny smith & red delicious apples, with a very subtle spirit underline; a mouthwateringly enticing aroma.

Taste: Opens up considerably drier than expected considering the aroma; the liquid is undeniably DANZKA; soft, with a touch of grain. The initial alcohol opening quickly leads way to a beautiful medley of granny smith, golden delicious and other apples.

Finish: While being completely forward with the apple flavours, the entire mouth feel still carries the DANZKA signature. The apple slowly gives way to slight licorice sweetness with perfect pepper & grassy undertones! The finish is completely soft with practically no alcohol burn; with an apple taste that lingers around.

You just want to have it on a hot summer day, with plenty of ice and soda, lemonade or ginger ale. Or freeze it for a quick, sharp burst of apple-freshness.
